Dangerous Ballot Proposition Threatens to Cut Vital Patient Services

Proposition 44 threatens care for millions of patients who rely on community health centers and clinics for their health care. The measure would cut \$1.7 billion from community health centers and clinics in its first year alone, forcing health centers to reduce patient services or even close. What's worse, this poorly written measure also excludes funding for important patient care and staff services. **As a result, the following excluded services are at risk of being cut:**

CLINIC STAFFING

- Nursing Managers
- Chief Medical Officers and Physician Leaders

- Human Resources Staff
- Operations Staff
- Workforce Recruitment & Development Staff

PROGRAMS & SERVICES

- Telemedicine Technology for Virtual Appointments
- Quality Care Improvement Programs
- Staff Training and Development
- Translation Services
- Patient Medical Records
- Appointment Support Services
- Transportation Services
- Employee Benefit Related Expenses
- Legal & Auditing Expenses
- Clinic's Liability Insurance

MEDICAL TECHNOLOGIES

- Mammograms, CT and X-Ray Machines

CLINIC INFRASTRUCTURE

- Building New Clinics and Expanding Clinic Sites
- Rent & Lease of Buildings
- Utilities (e.g., telephones, office supplies, printing, etc.)
- Fire & Earthquake Insurance
